-------------	-------------------------	------------------

Hugo Costa, Cash Olsen, George Kopp, Robert Truitt, Bob Bennett and Alex Burr have all agreed to maintain their present roles for the next year. Sven Breden has said he will accept the office of club president and John Cruddas has indicated a willingness to be club secretary. This is conditional on the members at large voting at a future club meeting. The positions of communications and special events may have to be decided upon. Also Robert is going to meet with ARRL folks and any one with a question or concern can get with Robert.

Field day was not as coordinated as should be. All agreed work is needed to improve it for next year. The solar unit that was provided for the group for Field Day worked very well. A thank you card will be sent out.

Bob Bennett AD5LJ Building and Property: Bob thinks it is time for a team of professionals to both clean the club house periodically and take care of the weeds in the parking lot. Bob said he will get estimates and report back to the group.

Hugo Costa N1MEX Club Treasurer:: Hugo gave the treasurers report and it was accepted by the board.

Sven Breden WB5OCY Club Secretary: Sven spoke about the 2015 club membership roster and that is ready for publication and distribution. Also he recommended a notice be put in the LO pertaining that VEs are available for testing on a very short notice.

Alex Burr K5XY Publications and Newsletter: Alex is still having Email gremmils in the things he publishes in the LO. Robert said he can investigate. Alex is always looking for more items of interest to the ham radio community to publish in the LO.

Cash Olsen KD5SSJ Education: Builders group and the Linux interest groups are well attended. For the September club meeting, Jen K3JEN will demonstrate a drone helicopter. In October Charles KG5BVE will tell about the BBHN.

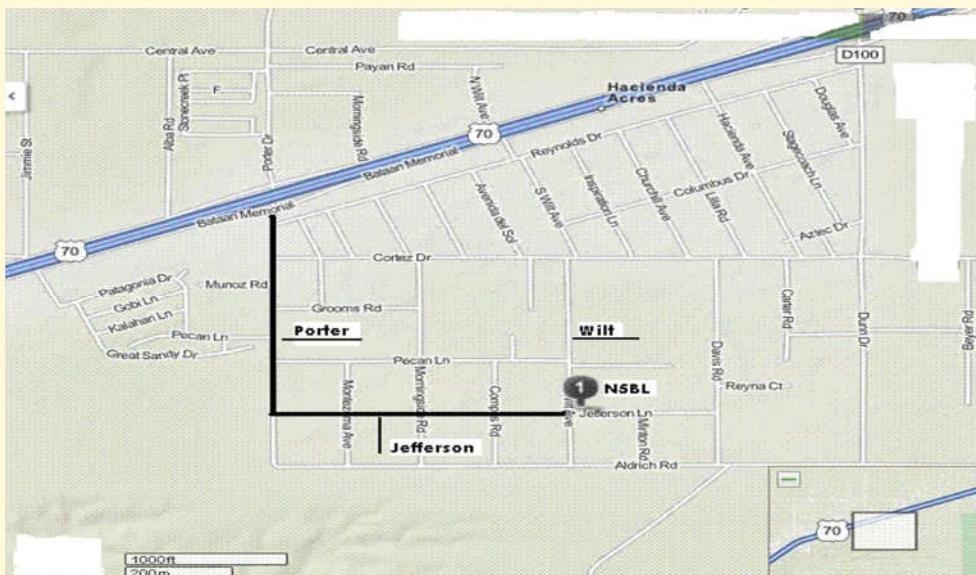

Robert Truitt KE5OFP Repeater Group Support: Robert said the 146.64 machine is back on the air. A spare machine was installed and the batteries were watered. The system is in need of a power supply to replace the old one.

George Kopp KD5OHA Athletic Activity Event Coordinator: No major races to report on. George spoke briefly about being contacted by a group called OYE whose purpose is still undefined. They might need some ham radio support for an upcoming project. More information is needed.

Meeting adjourned at 7:52 PM

CLUB INFORMATION

The MVRC Clubhouse is located at the intersection of Wilt and Jefferson. To find the clubhouse, set your destination on your GPS receiver as 32 degrees 22.961 minutes and -106 degrees 41.44 minutes. If you don't own a GPS, take the Porter exit near the firehouse on US 70. It is about 5 miles east from the I 25 interchange. Go south on Porter until you come to Jefferson. There turn left toward the mountains and go to Wilt. You will see the beam on the corner. The treasurer would be delighted to receive your contribution for landscaping and furnishing.
